EXECUTIVE DIRECTOR'S REPORT

FOUNDATIONS

BICC received a check in the amount of \$24,500 from the Schumann Foundation on March 18, 1971 to complete payment for the year for the Management Assistant, one half year for the Computer Match, and the Ambulance Insurance. Breakdown of funds received from Schumann this year totalling \$39,500 is as follows:

\$22,500	6 month operation of the Computer Match Program
14,000	Management Assistant Salary & cost for 1 year
3,000	Ambulance Insurance

Pending is the appropriation of \$22,500 for the second half year of the Computer Match Service. Mr. Bryant Rollins of the Foundation will meet again with the BICC to discuss strategy that might be developed for a cooperative venture between the Foundation and BICC on April 2nd. The Foundation meets in May.

The Hyde Foundation sent a letter of regret in reference to a grant. Limited budget was part of their rationale.

CLERICAL SATELLITE PROGRAMS

Bell Telephone's Clerical Program is in full swing. Comprised of nine persons, one BICC staff member has been assigned as counselor as is the case for all satellites. Bell Telephone is an advanced course.

Prudential begins today, March 29, as a beginning class. There will be 12 trainees.

IBM-Rutgers is pending developments to include hiring a Job Related Education Instructor, materials, and coordination of recruiting with Welfare. This will be a full-time class. Mrs. Patricia Cade has been hired as a Typing Instructor. We are looking for another Instructor at this time.

Mutual Benefit has no tentative starting date as yet due to awaiting required texts.

The BICC Director acted as chairman and spokesman. Mayor Gibson indicated continued action and concern and that another proposal had been submitted that day to which the Union should have responded.

Groups represented were:
